The action RPGs are filled with cool new attacks, combos, and map designs that take both the battlefield and the player experience to new heights. ELDRING 3 is as good as it was hyped to be, and it’s well worth the wait.” ● Koichi Nakano of Japanese Game Magazine “The premise is called Elden Ring, and the game features unique combinations of melee, magic, and casting skills that cause a variety of exciting and action-packed battles. In addition to an exhilarating battle system, the game was also very visually enjoyable.” ● Kimura Tomohiro, of VG Fighting.com “ELDRING 3 mixes an exhilarating action battle system with an open world environment and features high-quality graphics and sound. By interacting with the world in real time, I was able to get more in-depth and emotional reviews of the story and battle systems. The fact that I was able to find a lot of

interesting places and items made the experience of playing ELDRING 3 itself worth the cost of admission.” ● Hayami Takuro of Destructoid “It’s rare that I spend this much time with a game, especially a JRPG, but the depth of the combat, the richness of the story, the variety of characters, and the way you can explore new areas -- they all really are special. ELDRING 3 is a game with a great deal of depth for its price.” ● Tabata Makoto “It’s been a long time since we’ve heard about such a big project as ELDRING 3. As the result of the development time and staff that had been given to the game, it came out to be something amazing that I had just started anticipating it. I was honestly surprised by what I played, and was quite happy to finally play a game that I had always wanted to play. The team members and the game itself are a mixture of ‘ELDRING 2’ and ‘ELDRING 2 X – The Oath of the Elden Ring’. By the way, the bff6bb2d33

while selecting the difficulty. A VAST WORLD FULL OF EXCITEMENT - A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. VIRTUAL HERO CREATION A WORLD WHERE EVERYONE IS A HERO - In Elysium, you are not the one who wins, but the one who moves the story forward. As a hero, you are not a magical character who can beat the odds. Rather, you are a mortal who encounters extraordinary, unbelievable circumstances. You suffer with your body, and die a tragic death. That is life. You are just a small cog in an enormous machine, the "Elden Ring." But there is a "heaven" beyond the world you know, a world where you can truly become a hero. You will bring a new life into the world, and become an Elden Lord. HUMAN ILLUSIONS A WORLD IN WHICH NO ONE IS CATHOLIC - Although they look humanoid, these creatures live as if they are the living dead. But they are not the undead. They do not experience life the same way you do. They are

merely illusions, beings that are alike in appearance but different from you in every other way. You are only limited by your imagination.

**ABNORMAL AND MAGICAL UNIVERSE A WORLD CONNECTED TO THE FUTURE** - This place where earth, moon, and stars are connected is called the Lands Between. A mysterious phenomenon has occurred, which has united the Lands Between with the world we live in. No one knows what that means. It is a place where new wonders can arise and a multiverse can be born. In this world, a thousand stories can be born simultaneously.

**FREE FROM THE BOUNDARY OF TIME A WORLD OF TIME RIPPING BREAKTHROUGHS** - The "Elden Ring" is a vast world that is not bound by time and space. Adventurers in the "Elden Ring" can achieve seemingly impossible things as their thoughts and dreams continue to twist and bend.

**> that to approach the temptations and traps of infidelity, we do not need to take a giant leap away from our faith, but can succeed with a number of small steps. 1. We are not perfect. Sometimes, we fall victim to the “I’m no angel” trap. And the temptation to compare ourselves to others—like we saw last week, where Eze. 36 was pulled about the sister leaders of the house of Israel—can easily, slowly lead us to believe that we are no better off than those around us. While I’ve fallen victim of such a trap in the past, I’ve also realized how easy it is to tell others in the body that you are not perfect, so you don’t have to worry about comparing yourself. One of the best ways to prevent this from happening is to realize that we all make mistakes. Instead of trying to remedy them, we should start by gleaning what we need from the mistakes of others. We can approach others in the church and say, “I didn’t mean to question or critique your leadership in front of people...” or “I regret my comments on our meeting last week, I want to apologize.” The point is, rather than focusing on ourselves, we should—and must—focus on those around us. We should be so busy telling God, “Father, I’m no angel,” that we forget to tell Him, “Thank You, Lord, for the angels! I’m no angel, but I thank You for the angels who struggle**

with you and with me.” (Read the entire chapter of Eze. 36 here) 2. We need forgiveness. We live in a culture of bragging. One where a picture of you
